

GRENADA

Kelly Curtis

A view of downtown St. George's.

We volunteered at
New Life Organization,
a vocational school
for 17-18 year olds.
We spent 2 days a week
here, tutoring math
and reading.

Inside NEWLO.

A math study group.

We also worked at the Bel Air Home for children. We spent a lot of time with the 2 & 3 year olds in the Nursery.
