I experienced the joy of knowing the beautiful people and their families - Lucia who has since passed away and whom we very much, and Jorge, a young 14-yr. with cerebral palsy. Most of my days OAXACA were spent sharing time with them. What a beautiful and rewarding opportunity.

Lucia →  
 w/ her family  
 coloring, playing  
 cards and  
 laughing,  
 dancing and  
 talking w/  
 this family  
 made my visit  
 so special &  
 most beautiful  
 and memorable  
 one. We will  
 always think  
 of her.

Jorge →  
 and his  
 family.  
 "Physical therapy"  
 w/ Jorge, volley-  
 ball w/ the  
 family, and great  
 conversation were  
 part of my time  
 w/ this family.  
 The rewards re-  
 ceived were greater  
 than what I could  
 have given.
