## PATHS TO SIENA

Perhaps you are planning to complete your core college courses at a community college and want to finish your four-year degree where you will have the greatest impact. Maybe you applied here as an incoming freshman and still want to make Siena your future alma mater. Or perhaps you started at another college and realized they don't have what you need to succeed.

**THERE ARE LOTS OF WAYS TO GET TO SIENA.  
WE'LL HELP YOU FIND YOURS.**

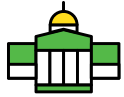

## GETTING HERE FROM THERE

At Siena, we know that transfer students enrich our school community. That's why we enroll more than 225 transfer students each year, infusing the Siena experience with a wider, more diverse perspective and understanding of the world.

Our transfer admissions process is straightforward, easy, and fast. We will work with you while you earn coursework elsewhere—as early as your very first semester at another school!—so you can then seamlessly move on to Siena and finish your degree on time. And when you're ready to apply, we will send you a decision within 7 to 10 business days!

You've worked hard to earn your college credits. We want to help you get as many of them here as possible. Reach out to us early—even before your first semester elsewhere—and we will help you develop a plan for a smooth transfer to Siena.

Email our transfer advisor at [admissions@siena.edu](mailto:admissions@siena.edu) to set up a planning meeting or for an initial assessment of how your current credits will transfer. We'll also estimate how long it will take you to graduate from Siena.

Then, once you've applied, you'll be able to log in to your personal "Saints Page" online to check your application status.

# MONEY MATTERS

We know that paying for college can be a lot to think about. In addition to working hard to keep our tuition affordable, we also offer need-based grants and merit scholarships for our transfer students. And that's on top of our work-study programs and 275 endowed scholarships available for all students.

Once you receive your acceptance from Siena, we will work with you to develop your personal financial aid plan. If you have any questions, contact our Financial Aid Office at [aid@siena.edu](mailto:aid@siena.edu) or (518) 783-2427.
