Connecting to the network

Computers/Phones
Windows 10, IOS, Android.
1. Connect to the "eduroam" wireless network.
2. Log in with your Siena email address and password.
3. If EAP method requested- use PEAP, Phase 2- choose MSCHAPV2, Certificate- choose Do Not Validate

All other devices (Gaming, Smart devices, etc.)

You will need to know your device's MAC address. To determine this, see the ITS FAQs at http://itsfaq.siena.edu.
Note: May not include all devices. See manufacturer's web page for information.
Once you have the Mac Address:
1. Connect to "SienaAir" on your device.
2. On your computer, open your web browser and go to http://campusr.siena.edu/registration
3. Choose the link under "Device Registration."
4. Fill out the form, giving your username, password, and MAC address.

If you have problems, contact ITS. Include your MAC address.
