1 CHAPEL
Siena welcomes students of all faiths to share in our Franciscan tradition. Students get involved with a variety of ministries and service projects through the Chaplain's office. Besides daily Masses, there's free pizza after the 10 p.m. Mass on Sundays!

2 RESIDENTIAL BUILDINGS
Nearly 80% of Saints live on campus in one of six residence halls and two townhouse complexes.

3 MCGUIRE HALL
Home to Admissions and Financial Aid. Our counselors are available to talk about Siena and answer any questions. Email admissions@siena.edu or text 518-862-8220.

4 THE GROTTO
The grotto is a place of welcome, a place of hope, a place of healing and a place of reconciliation for our students, faculty, local community, and alumni.

5 ATHLETIC COMPLEX (MAC/ARC)
A recent \$13.5 million renovation project transformed this athletic facility into a spectacular setting for our 22 Division I sports and recreation activities. The Marcelle Athletic Complex (MAC) boasts top-of-the-line cardio and weight equipment in a new fitness center (2019), an indoor track, basketball courts and a pool.

6 STANDISH LIBRARY
Our students love the study rooms, computer labs, digital scholarship center, and quiet spaces spread out here over three floors. And when it's time for a study break, they head to the café for snacks and a hot beverage.

7 MORRELL SCIENCE CENTER
Home to the School of Science, this building offers state of the art equipment, including the Siena Advanced Instrumentation and Technology Center (SAINT Center). The Breyo Observatory at Siena College houses the largest telescope in the Capital Region.

Post a pic from your tour, #Siena2024 and watch your mail for Siena swag.

8 ROGER BACON HALL
From building prosthetic arms to exploring the mysteries of dark matter, Roger Bacon Hall is always bustling with activity.

9 FOY HALL
Into music, theater or art? You'll find piano, painting and TV studios in Foy as well as our theater. It's also home to the Counseling Center, Career Center and Study Abroad Offices.

10 SIENA HALL
Siena believes in hands-on learning and you'll find some great examples of that approach in our signature building.

11 LONNSTROM DINING HALL
Siena has two dining halls and the focus is on fresh food! From housemade chips to salads, pasta to omelets, there's something for every taste. Have dietary concerns? The Siena nutritionist is happy to help!

12 SARAZEN STUDENT UNION
Home to Casey's student lounge, offering Starbucks and breakfast all day. It's also the place to be on Thursday night for bingo and trivia. Enjoy a study break by the firepit on the paddock.
